Style & Home Tips

For finding the ideal sofa

1. SIZE

- Measure the available space (width and length).

- If you want a chaise longue... **make sure you choose the right side.**

- Stretch your legs... with a chaise longue sofa equipped with **sliding seats.**

2. DETAILS

- Hours and hours on the sofa? Choose one with high-density and **high-quality foam.**

- Choose a **sofa bed** if you like having guests at home.

- If you are short on space and need storage solutions, find a sofa with a **storage compartment.**

- **Kids at home?** You may want to pick a dark model with stain resistant fabric.

3. STYLE

- Choose vibrant colours or prints to make it a feature or a neutral colour if your living room is already colourful.

- **Leather or cloth?** You decide the upholstery. Leather, easier to clean; cloth, warmer when it's cold.
